Gentlemen:

Our records show that you own St. Louis & San Francisco refunding 4s, and if you have not already deposited them under the St. Louis & San Francisco reorganization plan we should thank you very much for communicating with us as the writer, who is a member of the society, would be very glad to advise with you regarding the disposition of these bonds.

Yours very truly,

Dear Mr. Britton:-

The enclosed letter came to the Society, and knowing who it was from I took the liberty of opening it. If agreeable to you, Tuesday afternoon would be the better of the two days, and Mr. Wood and I will meet you wherever you say, and at whatever hour you wish.

Yours very truly,

My dear Mr. Roe,

Although we have not met,  
I know Mr. Newell and Mr.  
Wood, and am a member of  
your society.

My friend Mr. Veaton, of Day  
& Veaton, 42 Broadway is a  
most delightful old pagan. He  
is a former Governor of the  
New York Stock Exchange.

And he collects Greek coins  
and loves them. I give Mr.

Heaton all our booklets relating  
to Greek and other early coins.

Several times he has threaten-  
ed to visit your rooms. Please  
telephone him, or call, and  
get him up there.. Confiden-  
tially I am wondering what  
will become of his collection  
as no member of his family  
is interested. I hardly imagine  
he owns many specimens, or  
valuable ones. But —

Yours truly

Dear Mr. Britton:

Thank you for your letter. I shall certainly take an early opportunity of communicating with Mr. Henton; and if he derives as much pleasure from his Greek coins as we do from those we have here, it will be very pleasant for me when he comes to our Museum.

If Mr. Newell were here to show his own collection, Mr. Henton's pleasure would be even greater, but perhaps we can hold that out as an additional inducement for his returning when Mr. Newell gets back from Europe.

Thank you very much for bringing this matter to our attention. I trust we shall some day have the pleasure of seeing you here.

Very truly yours,

Secretary
